Dear Friend,

CITYarts is **Painting Forward** our future! Please help us to celebrate our **32nd annual Making a Difference Through the Arts award**, to be presented at CITYarts Masquerade Gala in person and on Zoom. By contributing a generous donation to the Luxury Goods Auction. We will be highlighting the history of impacting young lives and transforming our communities. This year's event will be held on June 23rd. We will be honoring three distinguished individuals who have made a significant impact on the arts and education in our city and abroad. They are truly an inspiration to us all.

CITYarts' public art projects give our young people a voice to express the important issues in their lives. **Thinking Globally, Acting Locally**, CITYarts has created over **330 projects** that have transformed communities and engaged over **200,000 kids** in collaboration with more than **600 artists**, over **1,500 sponsors** orchestrated workshops in over **100 countries**, and **500,000 volunteers worldwide**. CITYarts' projects foster community engagement and provide the opportunity for youth to meaningfully contribute to the transformation and revitalization of their communities.

Your generous contribution will help us empower more youth to expand their imagination as they collaborate with professional artists. Their active involvement in positive projects will keep them engaged in the creative process. I truly believe when **kids create, they do not destroy**. Luxury Goods donated for auction will be displayed throughout the event; your company's name will be featured in press releases and your company's logo on our event journal and website. You will receive a thank you letter stating your fully tax-deductible donation. You are also welcome to purchase additional advertising in our event journal-a form with more information is enclosed.

This is CITYarts' only annual fundraising event and your help will make a great difference in guaranteeing that it will be the most successful yet! Thank you in advance for helping us to continue inspiring New York's youth to transform their communities. Enclosed is a response form for your convenience.

Stay Healthy and Hopeful,
