

WHAT DOES PEACE  
LOOK LIKE TO YOU?

**CITYarts**  
PIECES FOR PEACE  
Project with Youth from Around the World

Youth from 68 countries have voiced their hopes through *Pieces for Peace* Project, and their ideas have started a movement. Their art has been featured in a traveling exhibition that has toured the United States, Spain, Egypt, Germany, Israel, Belgium and more. It has inspired mosaic Peace Walls in New York, Pakistan, The U.K., Germany, and Israel. Now, it's your turn to become part of this picture.

You are invited to participate in *Pieces for Peace*, a CITYarts project using the creative process to build bridges of cultural understanding between American youth and their peers from around the world. To date, we have received about 5,000 artworks from 68 countries from over 100 schools and organizations across 6 continents. These artworks are being displayed in a traveling exhibition, an online mosaic, and have inspired the creation of mosaic “Peace Walls” at five locations, with more being planned.

TO CREATE A PIECE FOR PEACE, THIS IS WHAT YOU NEED TO DO:

**THEME:** The participants are asked to create artworks in the form of paintings, poems, drawings and collages about peace. This project may be incorporated throughout the curriculum – for example, in history, Social Studies, Science, literature, Foreign language, or Art classes.

**MEDIUM:** Students may mix different media, such as painting, drawing, fabric, photography or text on the same paper, forming a cohesive piece.

**SIZE:** All the works of art must be the same size: 6 inches x 6 inches (15.24 cm. x 15.24 cm.) make your own squares from a drawing paper, wet media paper, photo paper, canvas paper, etc. or use copies of the supplied template.

**SEND US THE ARTWORKS:** Please mail the original artworks to the address below. If possible, compile a Cd with high quality (300dpi) scanned jpegs of the artworks and process the pictures of the participants. Please pack all contents in a plastic cover to avoid water damage.

**SUBMIT YOUR ARTWORK ONLINE IMMEDIATELY:** Become a member of CITYarts daily, our online social media site that connects youth from all across the globe. Through CITYarts daily participants can submit their artwork to be featured on the social media site. Send submission to [projects@cityarts.org](mailto:projects@cityarts.org)

**WEBSITE:** Each student’s artwork (unless it is of inappropriate size, content or language) will be posted on our website and online mosaic Wall at <http://cityarts.org/p4p-online-exhibition/>

If you know of a venue and/or sponsor, the exhibition can travel to your country. About 5 to 10 artworks will be selected to be included in our traveling exhibition.

Once we receive your acceptance letter, we will send you a confirmation email to welcome you on board. We are looking forward to including your students' artworks on our website and a select few in our traveling exhibition.
